DRUG & ALCOHOL CLEARINGHOUSE

REGISTRATION: CDL DRIVERS

You must complete the registration process before you can respond to employer consent requests or access your driver record in the FMCSA Commercial Driver's License Drug and Alcohol Clearinghouse. The instructions below are for a driver who holds either a commercial driver's license (CDL) or commercial learner's permit (CLP).

Create a Login.gov Account

Accessing the Clearinghouse requires the creation of an account with login.gov, a shared service that offers secure online access to participating government systems, including the Clearinghouse. If you do not have a login.gov account, or would like to create a new one, you will need to follow the steps below.

During the login.gov registration process, after 15 minutes of inactivity, the current page will clear whatever information is entered into data fields.

1

Visit <https://clearinghouse.fmcsa.dot.gov/register> and click **Go to login.gov**.

The screenshot shows the FMCSA Drug & Alcohol Clearinghouse registration page. At the top, there's a header with the FMCSA logo and navigation links for Register, Login, FAQ, About, and Contact. The main heading is "Register for the Clearinghouse now and be ready for implementation". Below this, there's a section for "GOVERNMENT PERSONNEL" stating that enforcement personnel and State Driver Licensing Agencies should not complete registration but log in with existing credentials. A red box highlights the "Go to login.gov" button, which is linked from step 1. Below the button, there's a section titled "Why register now?" with three columns: DRIVERS (Enter your CDL information and confirm all information is accurate in our database.), EMPLOYERS (Does a C/TPA manage your drug and alcohol testing program? Designate them today. Have an FMCSA Portal account? Link it with your Clearinghouse account.), and SAPS & MROS (Invite Assistants from your company and get set up so you can record information as soon as the Clearinghouse is operational.).

2

On the login.gov sign in screen, click **Create an account**.

Or, if you already have a login.gov account, enter your email address and password on this screen, click **Sign In** and go to **step 10**.

3

Enter your email address and click **Submit**. This is the email address the Clearinghouse will use to send you notifications about your Clearinghouse account. This email address will also be used to identify you in the Clearinghouse, and cannot be modified.

4

Check your email and open the email from **no-reply@login.gov**, with the subject line **Confirm your email**.

Click **Confirm email address**, or copy and paste the link into a web browser.

5

Create a password. This password must be at least 12 characters long. If the password you enter is not strong enough, you will not be able to continue. Enter a strong password and click **Continue**.

The screenshot shows the 'STEP 2 OF 4' screen titled 'Create a strong password'. It includes a green confirmation message: 'You have confirmed your email address'. Below this, it states: 'It must be at least 12 characters long and not be a commonly used password. That's it!'. There is a 'Password' input field with a 'Show password' checkbox. The password is masked with dots. Below the input field, a progress bar shows the password strength as 'Great!'. A blue 'Continue' button is at the bottom. At the very bottom, there is a link for 'Cancel account creation'.

6

Select an option to secure your account and click **Continue**.

Login.gov requires the completion of a user verification process to ensure the proper person is using those credentials. Follow the instructions for the method you select.

The screenshot shows the 'STEP 3 OF 4' screen titled 'First authentication method setup (1 of 2)'. It includes the text: 'Add a second layer of security so only you can sign in to your account. You'll only use one authentication method to sign in, but we ask you to set up two. This makes sure you can still sign in if you lose access to one.' Below this, it says 'Select an option to secure your account:'. There are five radio button options: 'Phone' (selected), 'Authentication application', 'Security key', 'Government employees', and 'I don't have any of the above'. Each option has a brief description. A blue 'Continue' button is at the bottom. At the very bottom, there is a link for 'Cancel account creation'.

7

Enter your security code and click **Submit**. This code will be provided via the method you selected. The screenshot below illustrates the SMS phone method.

A screenshot of the Drug & Alcohol Clearinghouse login page. At the top, the 'LOGIN.GOV' logo is on the left and the 'DRUG & ALCOHOL CLEARINGHOUSE' logo is on the right. The main heading is 'STEP 3 OF 4 Enter your security code'. Below this, it says 'We sent a security code to +1 123-456-7890 This code will expire in 10 minutes.' A red rectangular box highlights the 'One-time security code' input field and the 'Submit' button. Below the input field is a 'Get another code' button with a refresh icon. To the right of the input field is a checkbox labeled 'Remember this browser'. At the bottom, there is a link 'Entered the wrong phone number? Use another phone number' and a link '< Choose another option'.

8

Once you have completed setting up your first authentication method, you will be prompted to set up a second authentication method. You'll only use one authentication method to sign in, but you will need to set up two methods in case you lose access to one. **Repeat steps 6 and 7 to set up your second method.**

9

You have created your login.gov account. Click **Continue** to return to the Clearinghouse website and complete your Clearinghouse registration.

Register for the Clearinghouse

Once you have a login.gov account, you can complete your registration in the Clearinghouse. Follow the steps below.

10

Select your role (**driver**), and click **Next**.

If you are a self-employed CDL driver, do not register as a driver. You will need to register as an employer and, when prompted, identify yourself as an owner-operator (that is, an employer who employs himself or herself as a CDL driver, typically a single-driver operation). If you are unsure if you are covered by the Clearinghouse rule, see the box labeled “Are you covered by DOT Drug and Alcohol Testing Regulations?” and click **Find out**.
